## Come up Big on Your Toughest Jobs

When it comes to heavy duty trenching, one name alone stands for performance and reliability on jobsites around the world: Vermeer. The T555 COMMANDER® 3 is no exception. Equipped with innovative features, the T555 is ready for the most demanding trenching conditions.

Powered by a smooth-running John Deere PowerTech E Tier 3 diesel engine providing 185 hp (138 kW), the T555 COMMANDER 3 is available with a 4', 5', 6', or 8' (1.2 m, 1.5 m, 1.8 m, or 2.4 m) trencher boom capable of trenching widths up to 24" (61 cm).

The tractor is also available with a hydrostatic rockwheel attachment which is able to cut depths up to 36" (91 cm) in some of the toughest rock conditions. Designed for quick access to the engine and pump drive during attachment changeover, the T555 is equipped with a modular power pak.

# Your Complete Global Service Provider for Quality Parts and Service

*Get the parts and service edge. In addition to providing quality equipment, Vermeer delivers top-quality parts and superior services. Vermeer parts are manufactured to exacting specifications to help keep your Vermeer equipment running trouble-free and at OEM specifications.*
